

Events Committee Member Profile

About Lynnwood

Lynnwood will serve as a dynamic gathering place where community and creativity are celebrated. To best serve the needs of our community, our team is committed to community consultations for future program and exhibit development.

We believe the Arts contribute significantly to the building of community character. Lynnwood Arts will complement other activities that the community engage in for mental health, leisure, and well-being.

About the Events Committee

We ask for your commitment of at least 20 hours (virtually and in-person) throughout the calendar year to support the activities related to exhibitions and events hosted at Lynnwood Arts. Committee members will represent the interests of the broader community of Norfolk and surrounding rural centres.

The purpose of the events committee is to:

- ⇒ Provide support during creative workshops, opening exhibitions, special events, and other activities as they arise.
- ⇒ Assist in the development of community partnerships and fundraising events.

The ideal candidate will:

Participate in the development and execution of fundraising events.

Support Lynnwood Art's organizational mission, mandate, and goals.

Have a vested interest in the arts and creative network of Norfolk County.

Positively impact children, youth, and adults with an arts focus

Have some experience in and/or knowledge of arts-based programming and events.

Be open to exploring new ideas and contributing within a collaborative environment.
